

Pioneering Vision For Project Financing

Largest Build-Operate-Transfer Project in the Philippines

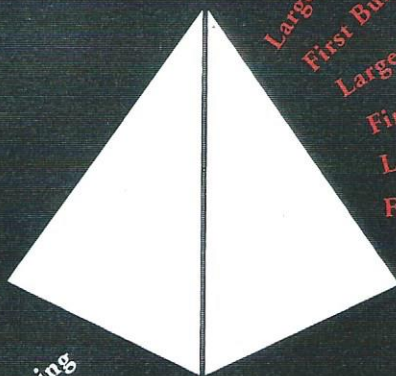

First Build-Operate-Transfer Project in China

Largest Water Privatization in Asia

First High Speed Rail Project in Asia ex-Japan

Largest Project Financing in Indochina

First Project Financing in Vietnam

If you've got a project in mind in Asia, we can show you the light.

More than a century ago... we built the Suez Canal, opened our first branch in Saigon, and from Indochina, created one of Asia's earliest financial networks. Today... we continue to pioneer solutions for the region's infrastructure needs:

- Largest Build-Operate-Transfer Project in the Philippines – *Sual 1200 MW Coal-Fired Power Plant, Pangasinan Province. Indosuez Arranger*
- First Build-Operate-Transfer Project in China – *Laibin B 720 MW Coal-Fired Power Plant, Guangxi Province. Indosuez Lead Arranger*
- Largest Water Privatization in Asia – *West Jakarta Treatment-Distribution Network, Indonesia. Indosuez Advisor*
- First High Speed Rail Project in Asia ex-Japan – *Seoul-Pusan TGV, South Korea. Indosuez Advisor / Sole Arranger*
- Largest Project Financing in Indochina – *Theun Hinboun 210 MW Hydro-Power Plant, Laos. Indosuez Arranger*
- First Project Financing in Vietnam – *Metropole Hotel, Hanoi. Indosuez Arranger*
